## Supplemental Information

We appreciate your providing the following information:

Please indicate here, or in an attached letter, any information about your daughter with which we should be familiar. A difficult year in school academically or socially, recent changes in family structure, a recent move, or a complicated health-care requirement can be very useful background knowledge and will be shared with staff "as needed" by the directors. Please share anything at all that would be helpful.

### Diet Information

Just like the Betsey Cox program, the BC kitchen works hard to provide excellent food choices for our community. To help us do so, please indicate if your daughter chooses a specific type of diet:

*Please circle all that apply.*

Gluten Free    Dairy Free    Nut Free    Vegan    Vegetarian    Other: \_\_\_\_\_

### Swimming Lessons:

Betsey Cox believes that learning to swim is a life skill that all children should have access to. Camp follows the Red Cross Swim program for lessons and asks that campers participate in swimming instruction three times per week. It is important for us to know your family's expectations for your daughter and her involvement in camp swimming lessons. Please indicate your wishes here by checking a box and add a comment if you wish!

- We would like our daughter to participate in swimming lessons three times per week.  
 Our daughter may choose how often she participates in swimming lessons.

**Cabin Group Requests:** We generally house girls by grade level and/or age. We will attempt to place friends together; please list no more than **TWO (2)** persons in your own age/grade. We won't put girls from the same town or school together in groups larger than four. If you are part of a group larger than four, we encourage suggestions on how the group might be split.
