

Closing days

Departures will happen in the main yard and Lodge for Session 2, 3A, and 3 (July 31, August 15 and August 21). Parking will be in the lower and upper parking lots and in the archery field as needed. Staff will meet you and direct you as needed.

Check out stations will be inside, and we will say a “hello”, tell a story or two, and hand out pictures, address lists, individual’s medications, and perhaps a few other items. We do ask that you wear a mask in the Lodge to protect our unvaccinated campers.

For July 31, August 15 and August 31, we will not be staggering departures.

Departure time is between 9am and 11:30 am

If the departure schedule does not work easily for your family’s plans, please reach out and we will find a solution together!
