**Refund and Cancellations:**

We plan to welcome a healthy, happy community for summer 2022. We are also aware that these are still quite unusual times in our world. For Summer 2022, should camp close, all deposits and tuition payments for 2022 will be refunded in full. Families will still have the option to roll deposits forward to summer 2023, or to make a donation to camp if they wish. We are always willing to discuss your family's tuition situation individually. Please be sure to reach out as needed, anytime.

## Supplemental Information

Please indicate here, or in an attached letter, any information about your daughter with which we should be familiar. A difficult year in school academically or socially, recent changes in family structure, a recent move, or a complicated health-care requirement can be very useful background knowledge and will be shared with staff "as needed" by the directors. Please share anything at all that would be helpful. We appreciate every bit!

### Diet Information

Just like the Betsey Cox program, the BC kitchen works hard to provide excellent and diverse food choices for our community. To help us do so, please indicate if your daughter chooses a specific type of diet:

*Please circle all that apply.*

Gluten Free    Dairy Free    Nut Free    Vegan    Vegetarian    Other: \_\_\_\_\_

### Swimming Lessons:

Betsey Cox believes that learning to swim is a life skill that all children should have access to. Camp follows the Red Cross Swim program for lessons. We will be sending out a "Swim Contract" in our family packet in the spring for your family to discuss and sign. It will allow us to be in agreement with a swim lesson plan for each camper. Thanks!

**Cabin Group Requests:** We generally house girls by grade level and/or age. We will attempt to place friends together; please list no more than **TWO (2)** persons in your own age/grade. We won't put girls from the same town or school together in groups larger than four. If you are part of a group larger than four, we encourage suggestions on how the group might be split.
