Refund and Cancellations for Summer 2024:

We plan to welcome a healthy, happy community for summer 2024. If national, state, ACA, local officials, or we as camp directors determine that camp cannot open safely for all or some portion of the summer, enrollment deposits and tuition payments made toward this summer will be fully refundable. With an eye toward the future, registered families will have the option to roll payments and deposits forward to summer 2025 if they are able, or to make a donation to camp. If Camp is open, but your family elects to withdraw after March 15th and before May 1, all payments made beyond the deposit will be returned. If there is a cancellation or a reduction in session length requested after May 1st, no payments will be refunded.

Supplemental Information

Please indicate here, or in an attached letter, any information about your daughter with which we should be familiar. A difficult year in school academically or socially, recent changes in family structure, a recent move, or a complicated health-care requirement can be very useful background knowledge and will be shared with staff "as needed" by the directors. Please share anything at all that would be helpful. We appreciate every bit! Additionally, we love to hear about accomplishments and joyful news too! Thanks.

Diet Information

Just like the Betsey Cox program, the BC kitchen works hard to provide excellent and diverse food choices for our community. To help us do so, please indicate if your daughter chooses a specific type of diet:

Swimming Lessons:

Betsey Cox believes that learning to swim is a life skill that all children should have access to. Camp has an excellent swim lesson program and offers daily unstructured free swim. We will be sending out a "Swim Agreement" in our family packet in the spring for your family to discuss and sign. It will allow us to be in agreement with a swim lesson plan for each camper. Thanks!

Cabin Group Requests: We generally house girls by grade level and/or age. We will attempt to place friends together; please list no more than **TWO (2)** persons in your own age/grade. We won't put girls from the same town or school together in groups larger than four. If you are part of a group of four or more from the same town or school, we welcome discussions, and we would not plan to place them all in the same cabin.
