

Dear Camper or Camp Parent/Guardian,

In our ongoing commitment to ensure the safety of our campers who take any medications while at camp, we are delighted to work with a local independent pharmacy, Rutland Pharmacy.

Rutland Pharmacy will package your child's medications in their DisPill multi-dose packaging. The DisPill package is labeled with your child's name, medication, medication description, date and time of day to administer.

The DisPill package will contain a month supply of medication. Extra medications will be sent home with your camper. DisPill, is a multi-dose calendar packaging which over the counter medications, supplements and daily vitamins can be easily included.

Please complete your registration information accurately to avoid any errors.

Please complete all information as soon as possible and email or fax back to Rutland Pharmacy.

Listed below is all the information needed to register with Rutland Pharmacy.

1. Registration Form for Rutland Pharmacy.
2. Photocopy of Camper Health History Form 1— located on Camp website.
3. Instructions for your physician on how to send prescriptions to Rutland Pharmacy.
4. Instructions for your physician to authorize any over the counter (OTC) medications to be packaged by Rutland Pharmacy.
5. Information about fees, prescription insurance and late fees.

Please note that Rutland Pharmacy cannot package medications from another pharmacy, so camp medications must be filled through Rutland Pharmacy. **DO NOT FILL THE CAMPERS PRESCRIPTION MEDICATIONS AT YOUR PHARMACY DURING THE MONTH(S) OF THE CAMPER'S SESSION.** This would result in a denied claim by your insurance company, and having to pay cash price for these medications. You can ask your pharmacy for a short fill of medications until the start date of camp to avoid this, if medications are needed before then.

Rutland Pharmacy welcomes your camper to an amazing summer in Vermont!
